

ASIA ENERGY Ltd

Home

Asia Energy Ltd is an innovative International company established under Malaysia National Strategy, promoting multilateral co-operation and open door policy. The co. businesses involve in natural resources & petroleum energy. It is a fully owned & founded by four entrepreneurs and charter to undertake the development of huge potentials regional requirements closely related to oil and gas industry.

Asia Energy is supported with secured long term supply contract of HSD & LNG from reputable Refinery to ensure continual supply to customer needs.

About Us

We are committed to provide services that meet our customers' needs and expectations for quality, productivity and safety, while fostering a business culture that educates, develops and encourages our people to continuously improve all aspects of our operations. HEALTH, SAFETY and ENVIRONMENT (HSE) is implemented at all levels of our business and integrated into our quality assurance system.

BUSINESS ACTIVITIES :

1.OIL AND GAS PRODUCTION

Asia Energy Ltd is one of Asia's largest petroleum companies and privately traded oil and gas company in the region.

2.OIL REFINING

Asia Energy work very close with a "soon to be operable" integrated Oil Refinery in the region, the project plans to develop more than several hundred hectares of land along with having an important strategic location and thus competitive advantage being in the path of international shipping routes across Indian Ocean, Malaka Straits and the China Sea.

The Oil Refinery produce diesel, jet fuel, gasoline and LPG to be the primary products.

3.COAL MINING

Again through our close joint co-operation with a Coal Mining in East Kalimantan, the company focuses in the regional markets. Therefore the company strives to meet the quality and quantity of coal. Also time accuracy of product delivery, mining with good mining practices. The company very concerned with good mining practices accordance with the international regulations. We believe that our concerns for the environment beyond mere commercial purposes and its inherently embedded in our Corporate Culture as a "Company with Care."

Asia Energy Ltd - Management Team

A word from the Management:

A very sincere thanks for your trust, your continuous and kind support to our Oil & Gas business, the first truly privately owned company establishment in the region.
